

Wags, Whiskers & WiFi was an astronomical success!!

When we made the decision to boldly take our annual fundraising gala where we had never gone before – the virtual space – we weren't sure what to expect.

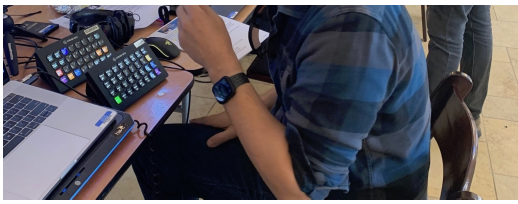

How could we celebrate together during this time of social distancing? Would we make a difference? Would anyone show up?

Well, show up you did! ❤️

Our preliminary accounting indicates that we raised nearly \$180,000 for the animals!

We couldn't have done this without a veritable constellation of superstar support: Kendall-Jackson (see you there for Gala 2021!) and our incredibly generous sponsors, everyone who donated exciting auction items, our auctioneer extraordinaire, Senator Mike McGuire, who lit up our livestream event with his magnificent enthusiasm... and YOU!

In this time of uncertainty, your compassionate commitment provides a safe haven and lifesaving care for homeless animals when they need it most. And for this, we send you light years of gratitude!

If you missed the event last week, we invite you to check out all the fun [HERE!](#)
and, if you are able, there is still time to give.

DONATE NOW!!

Your kindness and support makes such an important difference for the animals who need us –

💖 THANK YOU! 💖

A GALaxy of gratitude to our mission critical Sponsors!
