YOUR SUPPORT IS SAVING LIVES!

Thank you for being a part of Wags, Whiskers and WiFi!!!

As our virtual GALAXy expedition heads home, we want to thank you from the bottom of our hearts for your participation and support. Your commitment to HSSC's lifesaving mission means the world to the animals – and to us!

This year's gala was all about connecting in the virtual space to celebrate our shared love for the animals who rely on us. We are so grateful that, with everything else going on, you were able to join us and boldly go where our gala has never gone before! We truly appreciate your support.

💖 **Thank you for your kindness and compassion!** 💖

P.S. Even if you didn't win the item you were hoping for, there's still time to make a difference! Our Save a Life paddle raise will be open until midnight this Sunday night!

SAVE A LIFE NOW!!

A GALAXy of gratitude to our mission critical Sponsors!
